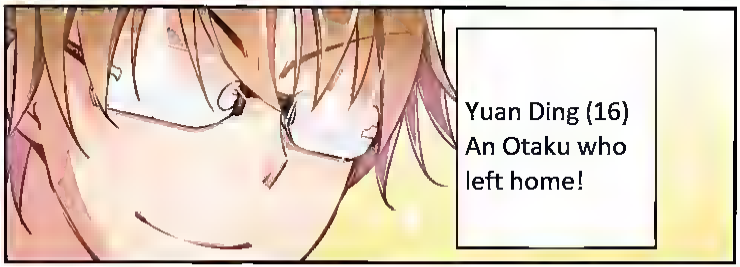
planted
a seed...
It started a
week ago...

Yellow Flower Airport
Yeah~!
I bet my damn dad hasn't realized I left home!
Next, all I have to do is fly to Akihabara and I'll be able to live happily* in the 2D world!



TI note Raws said "travel happily", felt that "live" would fit better here

The air here is great!
The building's design is exquisite!
Not to mention, this place is spacious!
Dont tell me this is ..
World travel!
WTF!

Five hours later
Hmph! As expected of me! I recovered my wits in a such a short time!
What's more, for world travel, it's the MC's turn to shine!
And MC = Cheat! Which means to say, the me right now...

Hey~! You over there!
Is that the King's subordinate? I'm not ready yet!
How troublesome!
This garden is off- limits!
Even if you are a Shuo Yue* student!

* tl: Name of the school

Shuo Yue's.... student?
Aren't you here to participate in the entrance exams?
Quickly get over there, it's ending soon!
Alright alright...
Looks like I will start from shocking the entire school!
Based on my years of experience reading YY novels*, the entrance exams will most likely be testing...

* raws literally say YY 小说, aka novels/ short stories

*hard to TL this, you get the gist of it, other worldly stats, just in Chinese context

For Soul Strength/ Innate Talent / Affinity/ Inner Strength !
Candidate, please stand in front of the Five Colored Sacred Stone
The Sacred Stone will test your aptitude.
Silly other worldlings, let me show you what is a cheat!

I will blind your eyes with my results!
Swoosh -
Failed.
Young man, you can go home and sleep now
OUT
Eh?

Hello everyone, Rikk here.
I enjoy manga and manhua a lot and thought I'd try to contribute back.
Here's my first TL project, Demon Spirit Seed Manual.
